

CEDARCREST BAND BOOSTERS

General Meeting Minutes- October 15, 2019

- 7:00 pm Welcome
- 7:05 pm Band Director-Miracle Minute- Breland Fantastic first competition. Things went well with the logistics and the help that the parents provided made it run smoothly. The kids did well. 4th place overall this year and we moved up in the rankings. Our overall scores went up by about 9 points. Lots of growth potential for the next 3.5 weeks
- This week we have the football game on Friday. Call time is 5:00. They will be in their uniforms for the performance. This is the homecoming game with a lot of fanfare during halftime, and we will be performing after the game. Encourage friends to come and stay for the performance.
- Saturday there is a rehearsal where we are learning the closer. Make up options. Open field after every school day. Show up Monday and Tuesday to get their dots learned. Want to have the whole show on the field for the next competition.
- Re: Senior recognition, likely will not happen as not even cheer is being called out. Also, last game the pizza order didn't get in early enough. Boosters will look at providing pizza via boosters. Michelle will check on pre-payment/other options
