

Props

Cedarcrest Band Boosters Chair

Position Description

Lead role in designing, fabricating, and maintaining the field show props for the current marching season. Must work with the Director to obtain show theme and vision for props. Must coordinate with the Board to understand budget. Additional volunteers may be recruited as needed.

Requirements

The following list provides the general expectation for this position:

- Determine design, in collaboration with Director
- Fabricate
- Obtain necessary materials (prior season, purchase within budget)
- Maintain or modify as needed

Timeframe

Responsibilities for this role begin in June, prior to the coming school year, with procurement and construction during the summer. Completed props should be available for use by late August. Adjustments or modifications may be requested. Maintenance or modification of the props continues thereafter until the final performance, typically in early November.

Additional Information and Resources

Props are typically used for a single season consisting of numerous rehearsals and three field shows. Field shows require that the props are able to be transported. The build quality and complexity should consider these conditions. Expenses related to this position may be submitted to the treasurer for reimbursement.

Contact the Director or the Board with any questions or concerns.
